A1. Additional Comments

Sarah Taylor was a wonderful TA and very intelligent. She was always available for help and always provided great insights and advice.

---

I think that more preparation and explanation about the final exam and midterm would be helpful.

---

This discussion section was extremely engaging. Students' opinions were welcomed, and everyone had a forum where they could discuss the weekly topics without fear of criticism.

---

Sarah Taylor was an amazing TA and even though I didn't like the subject of Anthropology, she made it interesting and fun to learn.
