A1. Additional Comments

This was my favorite class all year. Because of this class, I'm thinking about changing my minor to Anthropology. Sarah Taylor is great! By far one of the best instructors I've had in my entire college experience.

I loved this class. It was really interesting and Professor Taylor helped it to be even more interesting. the readings we had were beyond interesting. It was just a great class overall.

I WILL HIGHLY RECOMEND HER.

This was a very good class, interesting and actually enjoyable. I'd love to take another class with Prof. Taylor if I could. She really shows a strong passion for what she does and teaches.

The instructor is fantastic. She is a great teacher who tries very hard to engage all of her students. It was a privilege to sit in her class.
